REGISTERED WARRANTY
10 YEARS | 10 YEARS | 1 YEAR

Our enhanced warranty gives you maximum peace of mind. Plus, every piece of equipment is warranted to the home, not the homeowner — providing an extra measure of coverage when it comes time to sell.

WARRANTIES AVAILABLE:

- 1 year unit replacement.*
- 10 year warranty on parts with product registration.
- 20 year heat exchanger.
- Warranty stays with the home.

Base warranty is still available without registration.

*If the compressor, coil or heat exchanger fails in the first year.

Questions? Go to OXBOXHVAC.COM for more information.

- Furnace models feature aluminized steel heat exchangers to conduct heat quickly and increase durability
- Oxbox furnaces are designed for multi-position installation allowing for easy replacement or new construction installations
- Furnaces are fully convertible to either natural gas or propane, making them suitable for use in any area - LP kit included
- Painting galvanized steel cabinet that passed 500 hour salt spray test
- Quiet, multi-speed ECM circulator blower motor
- Oxbox furnaces are built for flexibility to suit varied installations and comply with Energy Star cabinet air leakage requirement of less than or equal to 2% (J801V*SEB Models Only)

For installation in SCAQMD only: The J801V NOx emission level is >40 ng/J and can't be sold and/or installed where State and/or District regulations require <40 ng/J.
